

Waterloo Parish News

July 4, 2010

A warm welcome is extended to everyone gathered to worship God and to celebrate life here at Waterloo United Methodist Church. Please join us for fellowship and refreshments in the Parish House after worship.

Beginning today and continuing to September 5, our worship service will start at 9:30 a.m.

Brooke and Stef are working to create a photo collection of our church members. Please either provide a photo to Stef or Brooke, or have them take your picture at Waterloo. The photos will be posted in the Parish House and hopefully will be included in next year's church directory.

Volunteer to participate in an upcoming worship service or to bring refreshments and clean up the kitchen after fellowship time. Please sign the clipboard in the narthex. Thanks to everyone who is participating today to enhance our worship experience.

Skylands District Announcement - In response to the recent flooding in West Virginia, the Rockaway United Methodist Church has reached out to David Thompson in the West Virginia Annual Conference to find out what kind of help they can use. According to Mr. Thompson some people have been hit very hard and they need flood buckets, health kits, shovels, rakes, bleach, gloves, mops, brooms, and any type of cleaning supplies as mold has begun to grow. Rev. Jean McMullan is offering to collect these items from the area churches and they will make sure the donations get to where they need to go. To arrange dropping off these much needed items at the Rockaway UMC, please contact Rev. Jean at 973-627-2989 or via email at RevJean@aol.com.

Galaxy Golf is being presented by United Methodist Homes on Tuesday, September 21, at 5 p.m., at Farmstead Golf and Country Club. For more information, see the brochure on the parish house bulletin board, or contact Beth at Bristol Glen at 973-300-5788, extension 1305, or bmalkin@bristolglen.org.

There are brochures in the narthex for 2010 summer camp programs at Aldersgate Center and the Pinelands Center at Mt. Misery.
